G191: EOC/ICS Interface

30 September 2015
9AM-5PM

Madison County Joint Information Center
558 South Keenland Drive
Richmond, Kentucky 40475

Offered By:
Chemical Stockpile Emergency Preparedness Program

Course Description:

The goal of the course is to provide state and local emergency management officials with the knowledge and skills they need to operate an Emergency Operating Center (EOC) and interface it with an Incident Command System (ICS) field operation. The course provides an opportunity for participants to begin developing an ICS/EOC interface for their community. The course reviews ICS and EOC responsibilities and functions and depends heavily on exercise and group discussions to formulate the interface.

Student Criteria:

This course is a closed course to the members of the Chemical Stockpile Emergency Preparedness Program. All personnel must be pre-approved by a CSEPP Coordinator or the CSEPP Program Manager prior to acceptance into this course. If you are outside of the CSEPP Footprint, you may e-mail Joshua.l.bailey34.mil@mail.mil to be added to the wait-list for this course.

This course will not open to students outside of the CSEPP Footprint until September 15th, 2015.
